She's Only Happy In The Sun

Ben Harper

[Verse]
D Em7
I know you may not want to see me
G A D
On your way down from the clouds
D Em7
Would you hear me if I told you
G A D D7
That my heart is with you now

[Chorus]
G A Bm (Bm A)
She's only happy in the sun
G A C (C Bm A) G
She's only happy in the sun

[Verse]
D Em7
Did you find what you were after?
G A D
The pain and the laughter brought you to your knees
D Em7 G
But if the sun sets you free, sets you free
A D D7
You'll be free indeed, indeed

[Chorus]

[Verse]
D Em7 G
Every time I hear you laughing, I hear you laughing
A D
It makes me cry
D Em7 G
Like the story of life, of your life
A D D7
Is hello, goodbye

[Chorus] X2
